Antioch blacked out again

Antioch returned to the "dark ages" Friday afternoon for the fourth time since July 20.

Senior power engineer Robert Flint of the Commonwealth Edison Company said the power went off when a bolt of lightning hit a Commonwealth Edison feeder line behind the Regal China Corp., 336 North Ave., Antioch.

The feeder line serves most of Antioch's east side, which was

without power for about 45 minutes.

According to Flint, the North Avenue feeder line is the one which failed the morning of September 17, causing the third in the latest series of blackouts. That one lasted about 50 minutes. Flint said Commonwealth Edison has still not determined the cause of that failure.

Flint said Friday's storm

caused a rash of power failures from Richmond to Zion.

He said Commonwealth Edison had received many complaints from citizens about the blackouts. But he said the company is just as anxious to have power restored as blacked-out residents are because, "when our feeders are out we're not making any money."

Fire damages home

--Story on page 4

Bill Georgeson (reclining) and Dale Frasch (sitting) Antioch firemen receive aid from comrades after leaping from a second story window Monday while fighting a fire at the home of Ronald Raven, Beach Grove and Prairie Drive, Antioch. (Staff Photo)

Four cars hit on Main Street

A four-car accident on wet pavement in downtown Antioch Friday afternoon resulted in damage to all four cars involved but no injuries were reported.

Kenneth Burchfield, 18, 1204 Meadow Brook Drive, Round Lake, was driving north on Main Street in a 1972 Chevy pick-up truck when he struck a parked car belonging to Charles Hucker, 1312 W. Grand Ave., Lake Villa.

Hucker's 1971 Ford station wagon was badly damaged on its left rear side where it was struck as well as its right front corner which was pushed over the curb and up onto the sidewalk.

Hucker was standing beside

his car at the time of the impact. He was thrown to the ground but was unhurt.

The two cars parked in front of Hucker's vehicle were also slightly damaged in a chain reaction.

Burchfield told police that after turning onto Main Street from Lake Street, he stepped on the gas too hard. He said he applied the brakes immediately, but it was too late to avoid an accident.

Burchfield was ticketed for driving too fast for conditions. His court date has been set for October 29, at 1:30 at the Branch Three Circuit Court in Fox Lake.

No, the people aren't in the street—the car is on the sidewalk, one of four vehicles involved in an accident in downtown Antioch during a thunderstorm September 21. (Staff Photo)

GRADE SCHOOL VANDALIZED

Antioch Grade School was vandalized late Saturday night.

Nineteen windows were broken in the school located at 817 N. Main Street. The damage was apparently done by rock throwing.

Some of the windows broken were original ones. School principal Harlan Ware said the school may decide to put

plywood up in two doors to save expense rather than replace the glass.

Damages are estimated at \$500-\$600.

Ware said all the damage was done to the rear and the side windows. Windows facing Main Street were left unbroken. So far there have been no leads to the vandals' identity.

FOUR STUDENTS EXPELLED

The High School Board of Education took action Thursday night in a special meeting to expel four students from Antioch Community High School.

The students were dealing in the traffic of a drug popularly known as "windowpane acid," Superintendent Warren Polley said.

Windowpane is a hallucinogenic drug produced only in clandestine laboratories according to a county narcotics investigator. It is manufactured in the form of a pill somewhat smaller than an aspirin.

The pill is usually cut into quarters and taken only one piece at a time. The effects of windowpane last four to eight hours.

The drug is physically and psychologically addictive.

Six of the seven board members were present for the meeting and they voted unanimously to expel the students.

In an official statement the board said, "This is harsh action but it reflects the position that a permissive attitude toward drugs and drug use by students at Antioch will not be tolerated."

BERNING ANNOUNCES FORMATION OF SUB-COMMITTEE

State Senator Karl Berning (R-Deerfield), chairman of the Senate Pensions and Personnel Committee, today announced the formation of a sub-committee to examine the effectiveness of the state personnel codes.

He said an organizational meeting of the sub-committee, which he will head, was held September 6 in Springfield to map plans for public hearings and other sub-committee activities.

Other members of the panel are Senators Harber Hall (R-Bloomington), Jack Schaf-

fer (R-Cary), Kenneth Buzbee (D-Carbondale) and Robert Kosinski (D-Chicago).

Berning said the sub-committee will hold its first public hearing in about two weeks in Springfield to give the director of the Department of Personnel and other state officials an opportunity to testify.

Police Chief Jack Wells questions two persons involved in last Friday's four-car accident on Main Street. (Staff Photo)

POST OFFICE GIVES STAMPS BY MAIL

It's possible to bank by mail, shop by mail, even go to college by mail. The only thing you can't do by mail is go to the Post Office - until now. Antioch residents are now able to buy stamps by mail, Postmaster Walter Barnas announced recently.

The stamps by mail program is designed to benefit shut-ins, the elderly and working people

who cannot get to the Post Office during regular hours, Barnas said. But the program is available to anyone who wants to use it.

Both stamps and stamped envelopes can be purchased. Special envelopes are available for ordering the stamps.

"This new service has been tested in selected cities nationwide with very positive re-

sults," Barnas said.

The service is not free, however. There is a \$.40 fee charged to cover the cost of two way postage, internal processing of checks, and other costs.

It isn't cheap, but stamps by mail will probably be the greatest convenience to come from the Post Office until the drive-in windows arrive.

PENTAGON PAPERS REPORTER TO SPEAK AT CLC

One of the most important and sensational journalism stories of this century is the one dealing with the publication of The Pentagon Papers by The New York Times, which began publishing a series of articles based on these papers on June 13th, 1971; was temporarily restrained by the Justice Department as being harmful to the national defense interests of

the United States and the nation's security; and an historic Supreme Court decision on June 30th, 1971, freed the newspapers to continue publication.

One of the journalists who played a major role in the investigative reporting and preparation of these articles - and the man who obtained the Pentagon Papers - is Neil Sheehan, Washington-based

New York Times reporter, who will speak here during the History of War Symposium at the College of Lake County, Thursday, October 11 under the sponsorship of CLC's Contemporary Issues Committee.

Neil Sheehan has been a New York Times reporter since 1964, when he became a general metropolitan assignment reporter in Saigon. Mr. Sheehan had been in Vietnam as Bureau Chief for United Press International since 1962. For his Vietnam reporting, Mr. Sheehan has won two awards: The 1964 Louis M. Lyons Memorial Award for Conscience and Integrity in Journalism (he shared this award with two other writers) and the Silver Medal Award of the Poor Richard Club of Philadelphia. He also received the Overseas Press Club Certificate of Appreciation.

ANTIOCH, LAKE VILLA ALLOCATE REVENUE SHARING FUNDS

Antioch and Lake Villa recently earmarked their revenue sharing funds for the next year.

Antioch will spend \$35,000 for environmental protection, \$20,000 for recreation, and \$9,366 for public safety. "Environmental protection" probably will mean a new storm sewer for the Oakwood area, and "public safety" money may go to sidewalk construction, Village Clerk Marilyn Sterbenz said.

Half of the money allotted to

EVERETT TONYAN BEATEN

Everett Tonyan, 18, 40 Hennings Ct., Antioch, was beaten Wednesday night, Sept. 19, by a youth who had been following him in an auto in downtown Antioch, according to police.

Tonyan was taken to Orchard Medical Center where nine stitches were required to close a cut below his eye.

Tonyan told police the youth who beat him had been following him, making insulting remarks and inquiring whether he had drugs.

The assailant was later arrested and charged with assault. His bond was set at \$5,000.

Historical Society a step towards the future

Recently a drive has been started to institute a historical society in Antioch. Such a society would be a good thing.

However, let us hope that a historical society in Antioch would not be for the purpose (as are so many historical societies) of sentimentally bringing back or clinging to the past. If concentration rests in this area, interest in the group will soon die.

The past means nothing unless looked at in the light of the future, for without the future there would have never been a past.

The two are inseparable. Each is as important as the other. A man must understand his past in order to wisely build the future.

We, as individuals and as a society, spin off into the future, flinging from ourselves, like dying stars, great chunks of our past, pieces of what we were or might have been—vital parts which can not survive our life's velocity, parts we may never recover.

Thomas Carlyle once wrote:

"What is all knowledge too but recorded experience, and a product of history; of which, therefore, reasoning and belief, no less than action and passion, are essential materials?"

The past is the great road map of the future, and it is called "history."

Every major highway leading to success and every one leading to destruction is printed boldly on that map.

Every little-known trail leading from the forests of ignorance and every craggy, winding path ascending the peaks is there too. The lines to follow are there, but they must be sought for and understood.

No one historical society, much less a new one in a town the size of Antioch, can clean the dust of the years from the immeasurable map of history. But perhaps our new group will seek to wipe a few specks from a corner.

So let us hope the Antioch Historical Society will not be a fireside, "I-remember-when"-with-tea club, but a true society with a purpose.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Rescue Squad lauded

Dear Editor:

It was my pleasure to test the members of Antioch's volunteer ambulance service. This group of outstanding citizens were chosen to participate in the norming of proficiency test for emergency medical technicians. The test will be used nation wide, and your volunteer organization will play a part in establishing standards for the United States of America.

I was especially impressed with the members of the ambulance service. The individual pride, devotion to duty and willingness to be of service to their fellow citizens was truly

outstanding. The citizens of Antioch are fortunate to have such men as these in the community and I am sure they will receive the people's support in their most worthwhile work.

It was a pleasure to visit Antioch. I was impressed with the friendly people and the clean, bright appearance of the community. Thanks for Antioch's help with the development of a test that will hopefully elevate standards in an essential element of the counties' health delivery system.

Sincerely,
T. T. Abercrombie
Test Psychologist

Girl Scouts

Editor:

The future leaders of America are present Girl Scouts enrolled in a program to teach them integrity, honesty, loyalty and appreciation of their fellow man and country and a know how of leisure time spent in a most

exciting and fun way.

In my association with Girl Scouting I have found that the enthusiasm of Leaders and Girl Scouts is contagious. The hours that are volunteered by adults that make up the Board of Directors, the Chapter Councils and Leaders is a rewarding experience for them and also an opportunity to know that they are lending their ideas and learning new ones from the "Now Generation" of Girl Scouts.

To me Girl Scouts are one of the last bulwarks in America to help our youth. Youth desperately needs you and I to get involved. Not only will you be well rewarded but you will help stop the onrushing bad experiences that happen to many of our youth.

United Way is fund raising for the Girl Scouts and I trust you will participate in this too.

Put some fun in your life and get involved in a Girl Scout Program now.

HOME-RULE PROPOSED FOR DISTRICT OF COLUMBIA

The issue of home rule for the District of Columbia (Washington, D.C.) is scheduled for early debate on the Floor of the U.S. House of Representatives. This sensitive subject among D.C. residents likewise has aroused interest throughout our Nation.

While it is well to recall that the Federal Constitution authorizes the Congress to exercise exclusive legislation over the federal city (Article I, Sec. 8) this has not been interpreted to deprive residents of our Capital of the right of self-government. Indeed, some measure of home rule was exercised by the Government of the District of Columbia from the time of its creation in 1802 until 1874 when the Congress assumed virtually full jurisdiction over our capital city.

In 1961 following ratification of a Constitutional Amendment residents of the District of Columbia were granted the right to vote for President and Vice President. Thereafter, in 1968, Congress granted to residents of the District the right to elect their own School Board, and, in 1970, authority was granted to elect a nonvoting

Delegate of the District to serve in the U.S. House of Representatives.

Under the new proposal—H.R. 9682—residents of Washington, D.C., will elect a Mayor and 13 Aldermen to serve for four-year terms. Such a city government would have the general authority enjoyed by other municipalities to provide police and fire protection as well as other services usually provided by municipal governments.

Perhaps the most significant provisions of the proposed home rule legislation are those which deal with denials, in contrast to grants of authority. For instance: (a) the measure reserves to the Congress the right to legislate for the District of Columbia at any time on any subject; (b) the Congress reserves the right to veto any action taken by the District of Columbia Municipal Council; (c) federal payments to the District Government are subject to review by Appropriations Committees of the Congress; and (d) all of the fiscal business of the District of Columbia Government is to be audited by the General Account-

ing Office—an agency which is solely answerable to the Congress.

Even in areas of planning, building and zoning, the Congress has imposed restrictions which would prevent structures incompatible with the plans of the National Capital Planning Commission. Furthermore, the proposed Municipal Government would be without authority to control or regulate in any way those parts of the city which relate solely to the Federal Government.

The pending legislation would provide a new opportunity for the residents of the District of Columbia to govern themselves and thereby relieve the Congress of the detailed and onerous task of legislating as a sort of city council for a municipality of more than 750,000 citizens.

It is expected that if this long-fought battle is won, residents of Washington, D.C. will demonstrate their capacity to fulfill those fundamental principles of our American system—free elections and self-government.

WITHHOLDING OF WATERGATE TAPES DEFENDED BY DEUSTER

In Constitution Week remarks delivered to the Daughters of the American Revolution, State Representative Donald E. Deuster (R. Mundelein) defended President Nixon's decision to withhold the Watergate tapes from Congress and the courts as "constitutionally correct."

Deuster told the Signal Hill Chapter of the DAR in Barrington that President Andrew Johnson's Attorney General Stanbery argued in 1867 before the U.S. Supreme Court that: "The President of the United States is above the process of any court or the jurisdiction of any court to bring him to account as President." Chief Justice Chase agreed and wrote in his opinion in *Mississippi vs. Johnson*: "If the President refuse obedience, it is needless to observe that the court is without power to enforce its process."

Furthermore, Deuster noted that President Franklin D. Roosevelt refused to provide FBI reports to Chairman Carl

Vinson of the U.S. House Committee on Naval Affairs. In an April 30, 1941, letter, Attorney General Jackson wrote: "It is the position of this Department, restated now with the approval of and at the direction of the President, that all investigative reports are confidential documents of the executive department of the Government, to aid in the duty laid upon the President by the Constitution....and that congressional or public access to them would not be in the public interest."

Deuster predicted that the Supreme Court would apply the doctrine of the confidentiality of Presidential papers to the Watergate tapes and continue to respect the "independence" of our Legislative, Executive and Judicial branches of government as designed by our Founding Fathers.

Stressing the durability and stability of our American system, Deuster said: "We have had only one Constitution

for 187 years and it serves us as well today as it did in 1787."

Representative Deuster spoke at the home of DAR Member Mrs. Thomas E. Park, 94 Hawthorne Lane, Barrington, at the invitation of DAR Librarian Mrs. Robert C. Wiese, Countryside Lake, Mundelein.

FIRE DAMAGES HOME

Fire did an estimated \$8 thousand worth of damage Monday to the home and belongings of Ronald Raven, Beach Grove and Prairie Drive, Antioch.

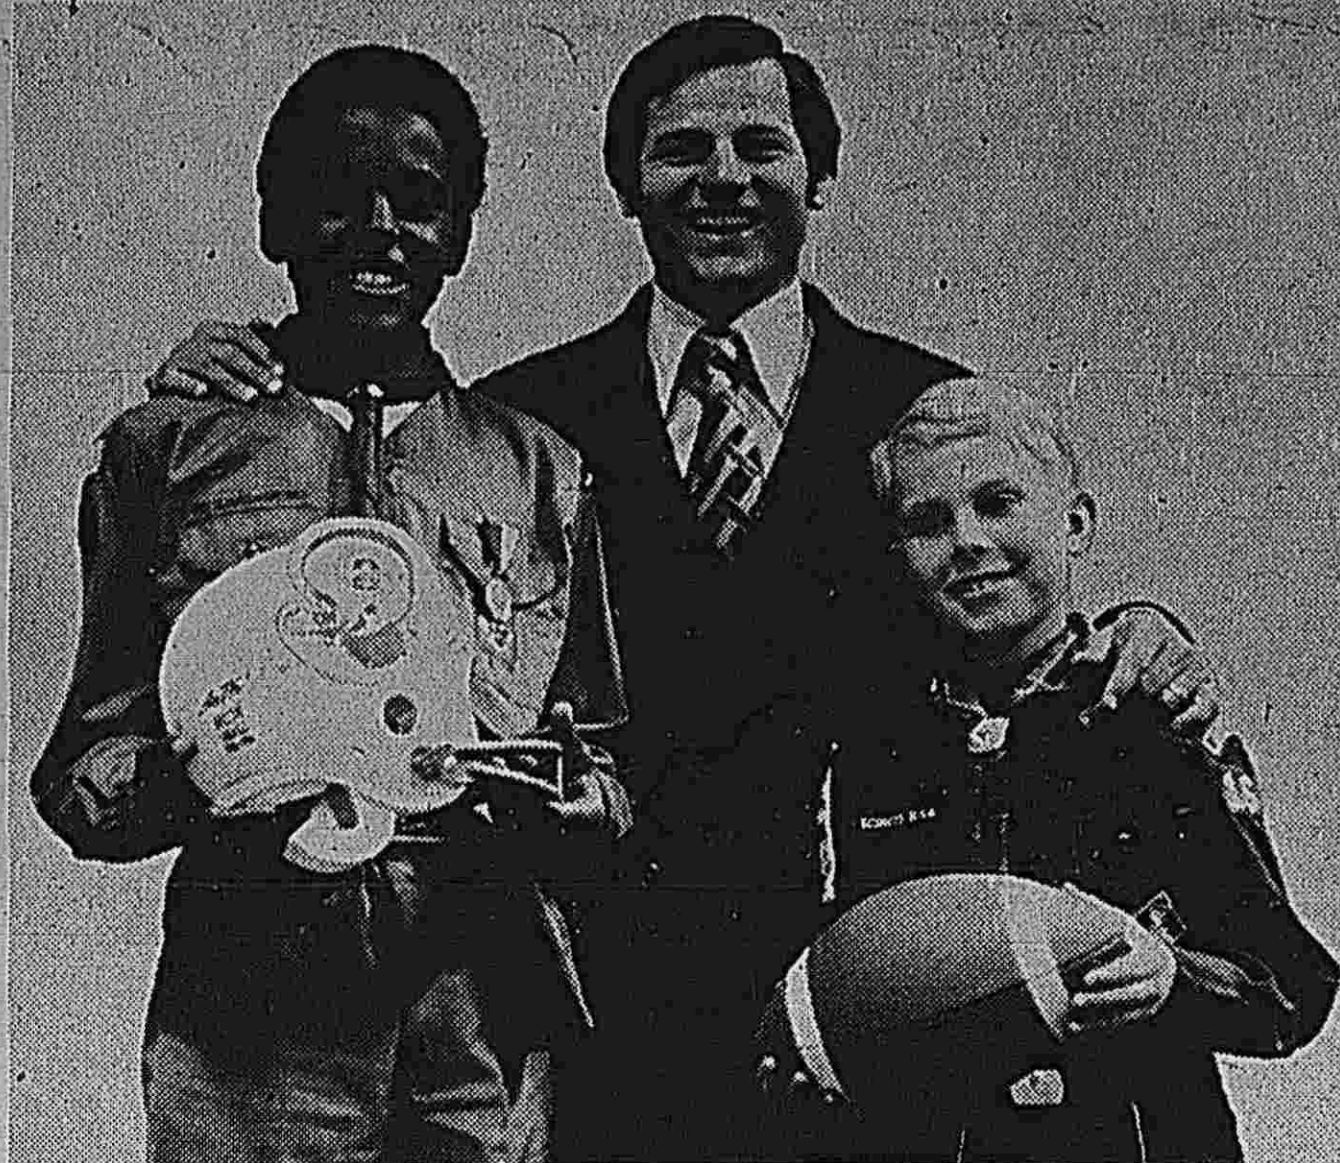

Firemen received the call about 12:30 p.m. and were on the scene for over an hour and a half according to Fire Chief Tod Maplethorpe.

Two fire fighters were slightly injured. Bill Georgeson and Dale Frasch were forced to bail out a second-story window when a draft made flames flare up and block all other avenues of escape.

Chief Maplethorpe said the fire appeared to have started in a utility room. No one was at home when the blaze began.

Firemen enter smoldering home of Ronald Raven. The fire started in a utility room and did about \$8,000 damage. (Staff Photo)

JOHNNY MORRIS KICKS OFF BOY SCOUTS FALL ROUND-UP

Scouting is alive and active in your community. You'll soon be seeing signs and flags, boys in uniform, and colorful posters heralding the Northeast Illinois Council's "Touchdown for Scouting"—a Fall Roundup designed to bring the Scouting story to the public.

Johnny Morris is the honorary Roundup Chairman for the

council. Mr. Morris is well known for his sportscasting on NBC, Channel 5, Chicago, and for his outstanding career with the Chicago Bears.

In accepting the job for a second year Morris said, "I appreciate the opportunity to be of service to an outstanding organization like Scouting. Anything I can do to help the

boys of every community in the council have a successful Scouting experience I'm happy to do."

From Evanston to Winthrop Harbor, from Fox Lake to North Chicago, and everywhere in between, Scouts and Scouters are ready to tell the Scouting story in their community. Action, fun, games, displays will help to show the public where they can become part of this worthwhile and constructive program.

The Roundup is an organized effort to reach boys and parents with the basic information of what Scouting is, and how, when and where they can join. It is a coordinated effort to make Scouting available to every boy who wants the opportunity to join.

RESCUE SQUAD TO OFFER FIRST AID COURSE

The Antioch Rescue Squad will offer a Red Cross Approved First Aid course for anyone interested. The 1st session will start Thursday, October 11, at 7:00 p.m. at the rescue squad building. This will be the standard first aid course and will be followed by an advanced

course if interest is such to warrant one. It will not be necessary to register for the course, so anyone interested need just attend the first night. For any other information call the rescue squad 395-2141 or contact any rescue squad member.

PROWLER DISCOVERED IN ORCHARD ST. SHOPS

Employees of Gibbs and Jenssen's Carousel dress shop discovered a prowler in their rear room Tuesday morning.

Upon being discovered, the man ducked into a wash room, leaving the door slightly ajar. He soon emerged and asked employee Gertrude Redlin, "Do you have a job?" She said she did not and the man left, after which employees called police.

Employees said the man appeared to be in his thirties, about 6 feet tall, 200 pounds and very dirty.

Later on that morning employees of the Foremost Liquor Store, 484 Orchard St., reported a man matching that description who wandered around their store for awhile and left in an old-model, metallic grey car.

At about noon the same day The Shoe Box, 496 Orchard St., reported a man of the same description who they found wandering around their back room.

When approached by an employee, the man said he was looking for Sears and quickly left. Shoe Box employees said the man wore a dark maroon shirt and dirty dark pants. They said he had a dark complexion, curly hair and about a four-day beard.

PRESTON RECKERS SELECTED TO CONDUCT UNITED WAY DRIVE IN ANTIOCH

Preston J. Reckers, vice president of the State Bank of Antioch, will conduct the Antioch United Way Drive for the second year in a row. Reckers, along with other community division leaders, will be striving to reach a community goal of \$4,388, which, when combined with the various other United Way community drives will total \$22,481, towards the total United Way goal of \$795,641.

Last year, Round Lake Communities reached the highest percentage of their goal spilling over the top by \$1,106. Antioch ranked second, where Reckers raised a total sum of \$4,112.00.

"Volunteers are still needed to help with the drive in Antioch," Reckers said. "We'll welcome any help we can get, if they've got free time."

Although individual businesses give donations to the United Way, employees are also asked to pledge a certain amount. "In this way, we eliminate the need for any door-to-door soliciting," Reckers stated.

Reckers has long been active in civic affairs, serving on the membership drives with the

Lions Club, of which he was secretary and director; he is also the past president and director of the Lions Club Community Service Corporation; members of Northern Illinois Conservation Club; president treasurer of the Antioch Chamber of Commerce; a director of the Lakeview Girl Scout Council; the Red Cross, Lake County Chapter, both United Way Agencies and director of the Lake County Cancer Association.

Reckers lives at 466 First

Street in Antioch, with his wife Beverly and their three children, Cheryl 21, Gary 17, and Larry 15.

General Campaign Chairman, Richard Newland has also named County Clerk Grace Mary Stern to head the Government II Division of the 1973-74 United Way Campaign.

The division is one of 18, and is responsible for raising \$15,899, from government employees of the cities of Waukegan and North Chicago, the county of Lake and the state of Illinois.

HISTORICAL SOCIETY MEETING PLANNED

There will be a second meeting for persons interested in forming a historical society in Antioch on September 27, 1973 at 7:30 p.m.

The meeting will be for organizational purposes as was the one in August and will be held in the multi-purpose room of the Antioch Township Library.

Head Librarian Betty Lu Williams and Village Clerk Marilyn Sterbenz head the drive to start the new society.

Library Holds Story Hours

The Antioch Township Library is sponsoring a Children's Story Hour twice a week in the meeting room of the library building in Antioch.

A session for children 3-years-old to Kindergarten age begins at 12:15 p.m. every Wednesday and lasts for a half hour. Children kindergarten age or older meet on Saturdays at 10:15 a.m.

Head Librarian Betty Lu Williams said there were 18 children present for the first session of pre-kindergartners September 19, but that more school-aged children are still needed for Saturday.

Diana Mueller, who volunteered her services, is the story teller.

Miss Williams said she hopes to add short films to the program's agenda before long.

WOMAN INJURED IN PLANT ACCIDENT

Le Thi Be Wessling, plant employee of Quaker Industries suffered an industrial injury Tuesday morning resulting in the amputation of a finger.

Mrs. Wessling, 25, 1503 27th St., Zion, was attempting to point out a malfunction in an extruding machine when another employee, thinking she was clear of the machine, put it into operation. The machine closed on her right hand.

Mrs. Wessling was taken to Victory Memorial Hospital in Waukegan where she was given emergency treatment.

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

I'M OK--YOU'RE OK CLASSES ADDED

Because of overwhelming demand Family Counseling Clinic has added two more sections of the new "I'm ok-You're ok" class for the fall semester which begins the week of September 24th.

The "I'm ok-You're ok" class was originally scheduled for Wednesday nights from 7 until 8:30 p.m., but pre-registrations quickly filled that section. As a result a second Wednesday night class from 8:30 until 10 p.m. was added, but that filled too.

As a result a third section has been added and this will meet Saturdays from Noon until 1:30.

The class costs \$25 and runs for 10 weeks. Persons interested should phone the clinic at 223-8107 to reserve a spot in the class.

Psychiatric Social Worker Bob Malo will teach the "I'm ok-You're ok" classes this fall. He is also director of Family Counseling's popular and successful Diet Clinic.

"This is Transactional Analysis" is just one of six courses being offered this fall at Family Counseling Clinic.

Mrs. Mary McCann called and identified the Remember When picture in the September 18, 1973 issue. The picture was taken in Dekalb, Illinois in 1918 (l to r) Mary Sheehan McCann, Ruth Pollock Denman, Anita Hucker Kemp and Madge Strang. The women were going on a picnic. Madge Strang and Ruth Pollack Denman are deceased.

CAR SMASHES INTO WALL OF NEW DELICATESSEN

A car with no brakes smashed into the wall of Bernie's Delicatessen Saturday afternoon, causing an estimated \$350 damage.

The driver of the car, Bob Mitchell of Salem, Wisconsin had been a customer a few minutes earlier at Bernie's Standard Service Station.

Bernie Gunty, owner of the delicatessen and service station at North Avenue and Route 83 in Antioch, said Mitchell entered his station and purchased braking fluid.

Gunty said he put the fluid in for Mitchell but it leaked out as fast as he put it in. Gunty said Mitchell told him he would be back in a few minutes to get it fixed but he first had to go into Antioch.

Gunty said he warned Mitchell the car was dangerous in its condition, but Mitchell left anyway.

In about ten minutes Gunty said he heard a tremendous crash and felt the building shake. He ran outside to find Mitchell's auto smashed into the side of his delicatessen.

Gunty said Mitchell told him he was approaching from the west on North Avenue, found he had no braking power and decided rather than plow through the intersection, it would be better to ram into the building wall.

Mitchell was unhurt but his car was totalled. He was ticketed for having no valid driver's license in his possession.

ANNOUNCE HALLOWEEN POSTER CONTEST

The Antioch Chamber of Commerce and Industry and the First National Bank of Antioch are again sponsoring the Annual Poster Contest for the area's sixth, seventh and eighth graders. Our theme this year is Halloween.

The use of any type of art material is acceptable on the paper that has been distributed to the schools for this contest. You are encouraged to be as individual and as creative as your imagination allows. The only rule of limitation is that **YOU MAY NOT RECEIVE ANY OUTSIDE HELP!**

The posters are to be returned to your school office on Wednesday, October 17th. Judging will be on Thursday, October 18th, and the winners will be notified by phone on Friday, October 19th. The awards will be presented on Saturday, October 20th, 10:00 a.m. at the First National Bank.

Prizes to be awarded are as follows: First Place -- \$25.00 Savings Bond compliments of the First National Bank; Second Place--\$15.00, Third Place--\$10.00, Fourth Place--\$8.00, Fifth Place--\$5.00 and Sixth Place--\$3.00, Compliments

of the Antioch Chamber of Commerce and Industry.

Completed posters must have the form accompanying this article glued or taped to the back. Be sure to fill out the form clearly and correctly. All

posters will be on display throughout the village after the judging, with the winning posters at the First National Bank. Posters may be claimed from the area merchant after October 31st.

70 YEARS AGO, SEPTEMBER 24, 1903

The clubs in the National League are standing thus:

	W	L		W	L
Pittsburg	90	46	Brooklyn	67	64
New York	82	53	Boston	56	78
Chicago	79	55	Philadelphia	46	85
Cincinnati	71	62	St. Louis	42	91

Mrs. James Strang and sister, Mrs. Clara Gullidge, of Waukegan, spent Saturday with their parents here.

50 YEARS AGO, SEPTEMBER 27, 1923

Ground was broken Wednesday morning in the lot just west of the Opera House. While L.B. Grice would not make a definite statement as to what the project under way was, it is understood that he and others are planning the erection of a new modern theatre.

J. Wilson McGee spent Monday and Tuesday in Chicago of this week on business.

20 YEARS AGO, SEPTEMBER 24, 1953

Invitations are being issued for the wedding of Barbara Holbek to Clarence E. Kufalk which will take place October 3 at the Antioch Methodist Church.

Antioch merchants are getting set for Dollar Days the last three days of next week.

10 YEARS AGO, SEPTEMBER 26, 1963

Antioch High School's new Language Lab aids both students and teachers.

Mr. and Mrs. R. Sevic and Mr. and Mrs. J. Steff of North Shore Loon Lake, Antioch, are spending two weeks in northern Wisconsin and Minnesota, fishing and mushroom hunting.

PLAY ABOUT LEARNING DISABILITIES TO BE PRESENTED

What happens when a community gets the wrong idea about children with learning problems? The Chicago South Chapter of the Association for Children with Learning Disabilities recorded their experiences and the result is the very enjoyable and informative play, "Crossed Wires." We are fortunate to have Louise Hullinger of the Chicago South Chapter bring the play to the September meeting of the Lake County Association for Children with Learning Disabilities.

The meeting will be held at 7:30 p.m. on Thursday, Septem-

ber 27, at the Special Education District of Lake County (SEDOL) Building, 4440 W. Grand Ave., Gurnee.

Other features of this meeting are a display of homemade teaching materials for children with learning problems by Marie Davis and a presentation by Hannah Friedman of the Music Center of Lake County on what classes may be available to learning disabled children at the Music Center.

You won't want to miss this very informative meeting. Anyone interested is invited to attend.

Sponsors of the Antioch Vikings junior football team raffle present prizes to winners. From left to right are: Organizer of the raffle Frank Johnson; Jackie Larson, accepting bicycle as second prize for her grandmother Ida Larson; First place winner Ted Loef accepting a \$1,000 savings bond; Viking coach and his player-son, Paul and Tom Dye; and Viking coach and his player-son, Rich Becker and Rich Jr. (Staff Photo)

SCHOOL FOR HANDICAPPED NEEDS MUSICAL INSTRUMENTS

Four new teachers at the Grove School for the Exceptional Child, Lake Forest have discovered they had one interest in common beside teaching. Cathy Loewenthal, Evanston, Thomas Erlenborn, Addison, David Lauterstein, Evanston and David Leshtz, Highland Park, have all had formal music training beside their degrees in education. Tom Erlenborn is a graduate of ACHS. They teach classes in special education and, while working with the handicapped children every day, they came upon the idea of teaching instrumental music to many of them. Grove School has music classes in its daily schedule but these teachers hope to teach individuals and perhaps start a combo or rock group.

Many musical instruments are needed for this endeavor. Donations of any type of musical instruments would be appreciated; especially percussion and rhythm band instruments. Please call the Grove School office for pick-up if necessary. 234-5540.

THE CANDY MAN CAN

The Candy Man in the form of more than 28,000 Lions will be out Friday, October 12, to set a record in the Illinois Lions annual Candy Day for the Blind.

This year, the "Candy Man can" movie song refrain has special significance, as Illinois Lions work to meet a record-breaking \$1 million goal. Last year Lions from some 600 clubs throughout the state raised a record \$850,000.

"Our sights are higher this year," said A. G. "Ang" Marcheschi, 7943 North Nora, Niles, State Candy Day Chairman. "We want to bring total Candy Day collections over the \$8 million mark."

During Candy Day's 20-year

history, Illinois Lions clubs have raised and distributed \$7,300,000 to agencies helping the blind and visually handicapped. Although clubs throughout the state are united in their emphasis on helping the sightless with the proceeds of the one-day campaign, Lions also serve in other community areas - youth, senior citizens, underprivileged, civic improvement, and help to individual families.

"It is the emphasis on spreading light for the blind and visually handicapped, however, that best tells the Candy Day story," said Marcheschi, also State Chairman of the Lions of

Illinois Blind Activities Committee.

Seldom a day goes by without an appeal for help to the Blind Activities Committee headquarters at 1515 North Harlem Avenue, Oak Park. Sometimes it's a simple problem with a simple solution, but often it's a complex problem requiring a combination of services.

"That's what Candy Day is all about," Marcheschi continued.

"The blind or nearly blind turn to us for an answer. We give it to them."

New Deductions

Mr. and Mrs. Thomas Mays of Antioch are the proud parents of a new baby girl, Marshanna Elaine, born September 19, tipped the scales at 8 lbs. 1 oz.

and was 19 1/2 inches long.

The Mays have three other children. Hank, who is 4, Cindy, 5, and Johnny, 8.

Maternal grandparents are Mr. and Mrs. J. W. Hambaugh. Paternal Grandparents are Mr. and Mrs. Thomas Mays.

Along the Way with *Annie Mae*

Well autumn is officially here, and with it some lovely fall weather, hope it keeps up.

Get well wishes to Delores Molgaard and Cecilia Forbrich who are patients at Victory Memorial Hospital. Also a big get well to Fern Watson who is in St. Marys Hospital, Room 1195 B in Rochester, Minnesota, 55901. A card or a note of encouragement would be very much appreciated by this lovely lady.

The Antioch Rescue Squad golf outing held last Wednesday at the Antioch Country Club was, as usual, well attended. A record number of ladies also golfed. Congrats to Jackie Vos of Lake Villa who won a set of Golf Clubs. The man with the most was John Roach of Oakwood Knolls.....

A busy week-end if you were attending many Grand Openings such as The Dog-n-Suds or The Arbor which is under new ownership. Good luck to all.

The weatherman cooperated with the residents of Crest Lane as they held their "Block Party". Attendance was pretty good considering everyone is so busy these days.

Welcome Tom Long to our staff. Our new young blonde reporter will be around town looking for news and introducing himself to everyone this week.

The Rescue Squad will again offer a Red Cross Approved First Aid course for anyone interested. It starts Thursday, Oct. 11 at 7:00 p.m. at the rescue squad building. Call 395-2141 or contact any rescue squad member.

The Sequoits played well against Warren last Friday but didn't quite come out on top. Good luck this week-end against Cary Grove.

Say gals! Its Pillsbury Bake-Off time again. Get your entry blank from your favorite grocery store. The deadline is October 31. If you have any questions call Antioch's last year's winner Peggy Van Patten. She'll be glad to help you in any way. 395-4185.

Mrs. Kay Derosse, Antioch, was a recent prize winner on WGN Radio's Roy Leonard Show, heard Monday thru Friday, 10-12 a.m. and 1-2 p.m.;

Saturdays 7 a.m. - 12 noon. Kay won two tickets to the Northwestern-Michigan State game for naming the Big Ten's leading passer last season as Mitch Anderson of Northwestern.

Congrats to Ed and Sharon Haley of Grass Lake. They now have a new little son, Andrew Michael who weighed 8lbs at birth. He also has a little brother, Eddie 1½ years old. How many grandchildren does that make Ursula and Tom?

Birthday wishes this week go to Mrytle Delaney and Ann Simbrowsky on the 26th, to Frank Kuechenmeister and Tim O'Connell on the 28th, with bushels of love and happiness sent to Miss Sandy Ruggles who also celebrates on the 28th. A special wish to a special little boy, Carl Amundsen and his friend Teddy White who celebrate on the 29th. Also on the 29th, Dan Sterbenz celebrates number 21. And to end up the month Ruth Bemis will celebrate on the 30th.

A very happy anniversary day to Mr. and Mrs. Ben Wagner who celebrate on the 28th and to Marge and Don Gaa on the 30th.

If you plan to go to the Thanksgiving Dinner Dance at St. Peter's, better see Dan Dugenske or Father Johnson for tickets, as they are limited and going fast... Nov. 17 is the date, Lorenz Smart Country House the place.

Don't forget to get out and cheer on those fighting Sequoits this Saturday. The band will also be performing at half time.

See ya there
Annie Mae

LAKE COUNTY EXTENSION INSTALLS ADDITIONAL LINES

The Lake County Cooperative Extension Service offices in the Lake County Fair Grounds have recently installed additional lines to facilitate reaching the Extension Advisers Offices with less delay, according to Ray T. Nicholas, Lake County Senior Extension Adviser.

All adult and youth program advisers can be reached by calling 223-8627. The offices are open 8:00 a.m. to 5:00 p.m., Monday thru Friday.

Kate Hofmann puts finishing touches on customer's hair. Kate is Antioch's newest hairstylist, having recently joined her barber husband Hans at Hofmann's Beauty and Barber Shop. (Staff Photo)

BEAUTY AND THE BARBER

There's a new husband and wife team in Antioch. Actually only half the team is new. Many Antioch residents are already well acquainted with Hans Hofmann, owner for the past three years of Hofmann's North Side Barber Shop, 405 North Avenue, Antioch.

Hofmann closed his shop in late August and vacationed with his wife in Germany, the country where each was born. He had another part of his building remodeled while he was away and reopened September 18, as the Hofmann Beauty and Barber Shop.

Kate, Hofmann's wife and new partner, until recently had

operated a beauty salon in Chicago while her husband tended shop in Antioch. But Kate who was living most the week in Chicago wanted to be with her family. So the couple sold their Chicago salon and set up shop together.

The couple, who emigrated from Germany in 1960, said in that country it is quite common to find a beauty and barber shop together. They said there a beautician and a barber obtain the same license and never have to renew it.

For an appointment call Kate at 395-2414, or just stop in. Kate will be happy to see you.

American Legion Auxiliary

The Department Children and Youth Seminar for both the Illinois American Legion and the American Legion Auxiliary will be held in Bloomington and the Illinois Sailors and Soldiers' Children's School (ICCS) at Normal, Illinois, October 6th and 7th.

State Commander Ralph Coop of Minnooka, state Legion children and youth chairman; State President Mrs. William J. Stringer of Oak Park; and Miss Geraldine Riden, Peoria, state Auxiliary children and youth chairman, will head a delegation of state officials, five division commanders, five division presidents, 25 district commanders, 25 district presidents, plus 50 district children and youth chairmen to this conference.

A buffet dinner Saturday at the William Towne Hall in Bloomington will be followed by a school of instructions by Andrew J. Spelies, Superinten-

dent of ISSCS. All 25 districts will report on the number of veteran's children in various Homes and schools, and whether the ISSCS cottages should get one large gift for all, or individual presents for each child. At this time, the year's schedule of activities should be outlined, with special emphasis on the annual "Pilgrimage to Normal", Christmas gifts and Easter presents. The monetary needs, and otherwise, of the children, school, teachers and house parents will be thoroughly discussed.

Legionnaires and Auxiliary members will attend church services with the ISSCS children Sunday morning, then have dinner together at Frandzen Hall. That afternoon, another discussion will take place with members of the school staff.

In attendance will be Mrs. Norman Holt, North Chicago, 10th District President; Mrs.

WOMEN OF THE MOOSE

The Publicity Committee Business meeting was called to order by Senior Regent June Ballenger at 8:00. The Ritual Directors were instructed to make corrections on floor work during this meeting, and at all following business meetings.

The Senior Regent announced that our Chapter is having a Membership Drive. This will run from July until the end of March, and there will be a Grand Prize for the co-worker enrolling the most members during this period.

Junior Graduate Regent Karen Bartuska was invited to act as Corsage Chairman for the Coronation Pageant, and Collegian Jerri Polson was invited to be an escort for the Convocation at the State Convention in Peoria.

The Chapter was very happy to welcome Co-Worker Bessie Jorgensen to our meeting. She is here from Florida visiting with her son and his family.

Co-workers taking part in the September Birthday March were Romana Pyzyna, Bernice Ahlert, and Anne Carpenter.

Share the Pot was won by Lolly Maloney and the name drawn for the Attendance Prize was Dorothy Barnstable. Too bad - she wasn't here, and the pot is really building. Come to the meetings, you may be the next name called.

CHAPTER CALENDAR-Oct. 1, Publicity Comm. meeting-Harriet Grewe; Oct. 3, Audit Comm. - June Ballenger's (if she is still here); Oct. 4, Membership Comm. meeting - Mary Carney's; Oct. 5-6-7 - Convention in Peoria; Oct. 11, Mooseheart Chapter Night - Christmas Walk; Oct. 14, College Card Party - 8:00 Moose Home.

William Franzen, Vernon Unit, district children and youth chairman; from the 10th District Legion will be 10th District Commander William Schultz and district children and youth chairman, John Jones, both of Antioch, will be installed as president and as secretary, respectively. More information will be forthcoming at a later date. Mrs. Ray Rathmann and Mrs. Bernard DeVries are the co-chairmen of this event.

UNDERNEATH ONE ROOF Hofmann's Beauty & Barber Shop 405 North Ave.

at North Ave.-1½ Block W. of Rte. 83 (4 way stop)

After being in the beauty business in Chicago for the past 12 years as a shop operator Mrs. Kate joins her husband Hans Hofmann at 405 North Ave. who since Oct. 1970 has been operating the former "Rays Barbershop" at this address.

EDWARDS - KANKA WED

Following a honeymoon trip to the Abbey and the Wisconsin Dells, Mr. and Mrs. Donald Edwards will return to their studies at Western Illinois University.

The former Linda Kanka and her bridegroom were married in a 4:00 p.m. double ring ceremony performed by Rev. Lorin H. Messersmith of the Millburn Congregational Church.

The bride is the daughter of Mrs. Joseph Kanka of Antioch and he is the son of Mr. and Mrs. Norman Edwards of Antioch. Carrying a bouquet of white

roses, carnations, baby's breath and Ivy, the bride wore a floor length gown of white peau-mist taffeta enhanced with chantilly lace with an a-line skirt and Watteau chapel train.

Sharron Morgan was the Maid of Honor and Rick Burger was the Best Man. Also attending the couple were Debby Bishoff and Ken Krejsa. Kelly Elliott, the bride's niece, and Gayle Edwards the groom's sister were flowergirls.

A reception for 150 guests was held at the Marchuk Resort in Camp Lake following the ceremony.

INDIAN SUMMER SALE

The Missionary Sisters, Servants of the Holy Spirit, Again cordially invite you to attend their "Indian Summer" Sale (Rummage and White Elephant), on Friday, Saturday, and Sunday, September 28, 29, 30, from 1:00 p.m. to 8:30 p.m. There will be fabulous bargains on used clothing; also other

items, many of which will be offered at reduced prices. The proceeds will be used exclusively to defray postage and freight costs on small and large shipments to their home and foreign missions.

The Convent of the Holy Spirit is located between Glenview and Northbrook, Illinois, at Waukegan and Willow roads on Highway 43. Phone: 312-272-5930.

HYPNOTIST AT NEWCOMERS' MEETING

The Antioch Welcome Wagon Newcomers Club is looking forward to a rather unusual general meeting on Wednesday, October 3, 8 p.m. at the State Bank of Antioch. Mrs. Lillian Krefft of Wauconda will discuss and demonstrate aspects and potential uses of hypnosis.

Once solely associated with black magic and witchcraft, hypnotism started on the road to scientific respectability with the work of Anton Mesmer (the

word "mesmerism" is derived from his name) and the pioneering efforts of Freud. Now, though still thought of by many as an entertainment medium, hypnosis is being used by qualified medical and psychological personnel in the fields of medicine, dentistry, the treatment of the emotionally disturbed, diet control, and as a technique to stop smoking.

Family members and friends of Newcomers are invited. A fee of fifty cents will be charged.

SO-CI'E-TY

n.; pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another: companionship; fellowship; connection; participation.

WGN Stars to inaugurate Women's Club season

The Antioch Woman's Club will inaugurate the 1973-74 season with their opening meeting on Monday, October 1st at the Brae Loch Country Club on Route 45 in Grayslake.

Luncheon will be served at 12 noon, and the meeting following will be chaired by club president Mrs. Charles Watson.

AWC members are urged to attend this regular meeting to obtain the new season program books and to add their voices to the new planning.

Entertainment for the gathering will be provided by William J. Eichorn and Maria Lagos featured performers on WGN-TV's Artists Showcase.

FASHION SHOW A SELL-OUT

Last Thursday evening, September 20, 1973, the Lindenhurst Woman's Club sponsored a Fashion Show featuring fashions from the Young Image and Four Squires. For a finale the Young Image had a 14-day-old baby dressed in a long

traditional Christening gown. Not wanting to be up-staged, the Four Squires added a last minute finale of their own, Joe Ornelles modeling jockey brand shorts and Tee-shirt, accented by argyle socks. The Fashion Show was a sell-out, with this type of modeling.....why not?

STATUE STOLEN

A ceramic statue was stolen from the Mt. Carmel Cemetery sometime in late August.

The statue was located at the grave site of Arthur Soby and

was made by Soby's granddaughter about a year ago. The Soby family reported nothing else missing and said there was apparently no vandalism.

CHRISTIAN EDUCATION WEEK AT METHODIST CHURCH

Sunday, September 30, starts the beginning of "Christian Education Week" at the Methodist Church in Antioch. The day will begin with a rally to round up all members to renew attendance after a summer of vacation activities.

Also a special invitation to all who would like to join us in worship. The Junior choir will sing at the Morning Worship Service at 9:30 a.m.

After an evening family pot luck supper and open house at 5:30 p.m., a program of recognition of the Vacation Bible School teachers and staff, Attendance Awards and Music by the Junior Choir will be held.

Everyone is welcome. For additional information please call Bob Olson, 395-3265; Irene Nevitt, 395-0469 or the church office at 395-1259.

OAKLAND PTA OPEN HOUSE

On Monday night, October 1st at 7:30 p.m. the Oakland P.T.A. meetings will begin with an Open House. This is a great opportunity to meet your child's teacher, visit his classroom and join the P.T.A.

A tisket, a tasket a Dog n Suds basket

There's more than one way to make a basket, and Dog n Suds has baskets down to an art. Every basket order at Dog n Suds has crisp, golden French Fries and tangy Cole Slaw. But that's where the similarity ends. In some of our baskets you'll find a sea of Jumbo Shrimp...in others, home-style Chicken. And for sandwiches, we've got Texas Burgers, Charco Burgers, Coney Dogs, Hot Dogs, Cheeseburgers, Tenderloins, Bar-B-Que, and Fish Sandwiches. That's what we've got in our baskets.

Dog n Suds

We make a lot of things better.

American Cancer Society plans Bike-A-Thon

The American Cancer Society at 228 North Genesee Street, Waukegan, which serves all of Lake County, is sponsoring its second annual Partridge Family Bike-A-Thon on Saturday, October 13, 1973. Rain date will be Sunday, October 14.

This year's route in Antioch will cover 7 miles starting at the Antioch Fire Department on Main Street, west on Orchard Street to David Street, south to Lake Street, west to Tiffany Road, north to North Avenue, east to Deep Lake Road, south to Little Silver Lake Road, and west to point of beginning.

The Bike-A-Thon starts at 10:00 a.m. and may begin only from the first checkpoint at the Antioch Fire Department. Other checkpoints are the Antioch Evangelical Free Church and the Atwood residence on Deep Lake Road, south on North Avenue.

Maps and entry blanks may

be obtained from schools, newspaper offices, radio stations, and banks, and the Cancer Society office.

Those wishing to participate should obtain as many sponsors as possible prior to the ride date. Parents, teachers, friends, relatives, neighbors, merchants, businesses, etc., are good sources, and may be asked to sponsor participants for each mile they ride. A dime a mile would be a good start. Some sponsors may wish to pay more per mile.

Riders may also carry a small passenger, during the ride, and sponsors for this little one may also be secured.

Sponsors should be told that their tax deductible contribution will be used for the American Cancer Society and they must sign the sponsor sheet. The riders are responsible for returning to their sponsors to collect the money

pledged after the ride. Such money to be deposited in a designated local bank for the Cancer Society.

A waiver agreement must be signed for each rider and a parent or guardian must also sign for riders under 21 years. It is recommended that anyone under junior high school age have an accompanying adult.

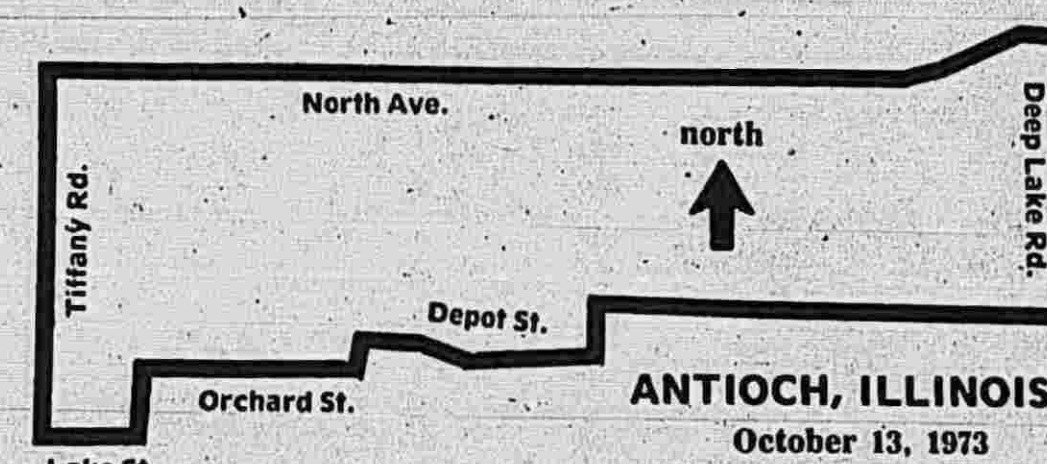

Bicycles should be checked to be sure they are in excellent condition. Further details and suggestions are included on the rider's application.

Prizes of bicycles will be awarded to the riders who turn

in the most money to the Cancer Society. First prize will be a 10-speed bike donated by State Bank of Antioch, second prize, a 5-speed bike donated by The Shoe Box, and third prize, a 3-speed bike donated by Walsh's All Seasons. Each rider will also receive a jacket patch.

Chairman of the Antioch Bike-A-Thon is Preston Reckers of the State Bank of Antioch. General Chairman Ted Bond, President of Mid-America Title Company, in Waukegan, recommends that we "Put it All Together for the American Cancer Society."

AMERICAN CANCER SOCIETY BIKE-A-THON

Chrysanthemum Lecture At Botanic Garden

Chrysanthemums and their culture will be the subject of an illustrated lecture by Glenn Park on October 11, 10 to 11:30 a.m., at the Botanic Garden of the Chicago Horticultural Society, Edens Expressway between Dundee and Lake-Cook Roads, Glenview.

Mr. Park, Chief Horticulturist at the garden, will devote this lecture to the hardy garden mum. Information will be given on planting, pinching, soils, wintering and pest control for this fall blooming perennial. Fee is \$3.00.

For reservations and further information, call Mrs. Shirley Glynn at the Botanic Garden, 835-5360.

A WALKATHON TO BENEFIT HANDICAPPED

The Second Annual Walkathon to benefit the handicapped of Lake County will be held on Sunday, October 7th. The walk is sponsored by the Lake County Easter Seal Society to aid in the expansion of services available at the therapy center maintained by the society in Gurnee.

The Fifteen Mile Hike will begin and end at the College of Lake County. Wendell Clark, Chairman, explained that each person walking all or part of the course ask friends, family, or businessmen to sponsor him at a monetary rate per mile.

The walker will pass through six check points along the route and have his route card stamped at each. When the Walkathon is over, the walker will return to his sponsor to collect the money earned by

him for the Society.

All monies earned will remain in Lake County to help the Therapy Program at the Center.

Medical personnel from Abbott Laboratories, Nurses, and Corpsmen from Great Lakes Naval Training Center have offered their services. The Northern Illinois Alert React Team will patrol the entire route throughout the day with communications available at all check points. Emergency telephone service will be maintained at the Easter Seal Therapy Center at Gurnee.

Individuals or organizations willing to walk "to give a handicapped person faith, hope, and therapy", or to aid the program should contact the Easter Seal Therapy Center in Gurnee at 662-2112.

6161 W. Grand - Gurnee, At the Tollway 336-6300

CLC volunteer services bureau coordinator Kay Emel explains program schedule to student volunteer Sue Klimek. Ms. Emel lives in Grayslake, Ms. Klimek in Mundelein.

Student Volunteer Program Started At CLC

A student volunteer service program has been started this year at the College of Lake County. The program is offered as a free public service by the college's student senate and is funded through the student activities budget.

Kay Emel, CLC assistant to the director of activities, heads the project. "The volunteer services program gives students the chance to derive educational benefits from helping others, while, at the same time, helping the Lake County community grow into a more enjoyable and fulfilling place to live," she said.

The program was in last year's college budget but never really got a start. This year Ms. Emel decided to get it off the ground. "We want to establish and maintain volunteer programs at the college and throughout Lake County, to assist community agencies, organizations and schools, to provide a placement service and orientation for in-service training, and to serve CLC students," she stated.

Students offering their services may, for example, work in

schools or institutions assisting teachers and others. Volunteers may also have individual duties. No financial remittance is involved. "Most often the volunteer will benefit more from experience in a situation that from making money on the job," Ms. Emel said.

Triton Community College in River Forest has been operating a similar program for several years. According to Ms. Emel, the biggest problem lies in establishing and maintaining a student and staff board to oversee the program.

"Although Triton has had trouble maintaining their board," she continued, "their program is a great success. We are developing a similar pilot program with a directory of agencies and schools that have volunteer opportunities of special interest to CLC students she said.

To promote the project, Ms. Emel is scheduling a volunteer services week at CLC, September 24-28. "Lake County agencies will display their offerings to interested students. Michael Walsh, regional director of the National Volunteers Call for Action in Washington, D.C. will be guest speaker," she said.

Ms. Emel encourages interested individuals, agencies, or schools to contact her at the college, by writing to 19351 West Washington Street, Grayslake, or calling at 223-6601.

What makes Dick Witt an outstanding State Farm agent?

1. a little neighborly attention
2. some fast, efficient service
3. and a lot of good State Farm policyholders

CUB SCOUT SCHOOL NIGHT SLATED FOR SEPT. 27

More than 200 elementary schools in this area will join in a major effort on September 27 to help boys and their parents learn about Cub Scouting.

The one-night-stand School Night plan calls for the schools to be open that evening in order to tell the Cubbing story to all interested boys aged 8 to 10, and their parents.

James G. Flood, Superintendent of Schools in Lake County, will serve as Chairman of School Night for a second year. A long-time supporter of Scouting, Flood is sold on the value of this approach to new leaders and boys.

"Boys are given many opportunities to participate in a larger number of events and

programs. Many forces are vying for a boy's time, his energy, and his loyalty. But none offers the same opportunity for growth in mind, body, community and family life, awareness of the rights and needs of others, as does Cub Scouting," said Flood. "Boys need what Cubbing has to offer."

SEPTEMBERFEST TO HONOR SENATOR BERNING

Amid the Bratwurst and Gemuetlichkeit at "Hans Bavarian Lodge" in Wheeling, Septemberfest celebrants will pay tribute tomorrow night to Senator Karl Berning.

One night, Friday, September 28, of the week-long Septemberfest celebration has been set aside as "Karl Berning Night" in recognition of the veteran Statesman's accomplishments and position of leadership in the Illinois Assembly. A giant blue and white striped tent, behind Hans' Bavarian Lodge at 931 N.

Milwaukee Avenue, will house the festivities, which include a 15 piece Austrian "Ooom-papah" band featuring the golden trumpet of Toni Maier and Eleanor Warber, Soprano. Other ethnic specialty acts will include The Polidors and The Diamonds.

And of course, no Septemberfest would be complete without foaming steins of lager beer, rhine wines and groaning platters of such German delicacies as Bratwurst, Thue-ringer and "Wiener Brathandl"

one of Hans' baked chicken specialties.

"Some of the fondest recollections of my youth were of going to Septemberfest and Oktoberfest celebrations with my parents" says Senator Berning whose grandfather emigrated here from central Germany.

Donation tickets at \$12.50 per person include dinner and entertainment and may be purchased at the door. Proceeds from ticket sales will go to the Karl Berning Campaign Fund.

Bits from Barb

By: Barb Olson

Thanks to the Electric Company, Antioch High School was pretty exciting this week. We lost all electric power Monday—and Friday, for approximately an hour each day. Monday's power loss came early in the morning and for a while it looked like we would be able to leave school early; but unfortunately the lights did go back on in time. Friday, during the Pep Assembly, we again had no lights. That was sort of fun. Having cheers in the dark, singing the school song, listening to the band play, introducing varsity football members, and then going to a very dark 7th hour.

Thursday was Antioch's first interscholastic sports meeting for the girls. At the meeting, girls interested in trying out for bowling, gymnastics and track were able to sign up and were told when they were to meet for practices. There was really a big turn out for all three activities.

Color Guard chose three new members Thursday after school. Congratulations to the three new senior Color Guard members: Janet Kroepelin, Ginny Toal and Pat Horn. Now the Color Guard has a problem; they don't have enough uniforms to go around.

Sorry, but I made a mistake last week when I said that the Girls from school did not play baseball at the Dugout because of rain. Even though it had been raining they did play and won. Girls who were on the team: Marcia Doolittle, Mozell Roth, Lois Geist, Kim Case, Jane Zeman, Shelly Grunewald, Barb Jarvis, Karene Hart, Kathy Mahoney and Kathy Hill. The girls played really good baseball and won a trophy to prove it.

Congratulations to Antioch's two semifinalists for the National Merit Scholarship, Kevin LaChance and Chris Fankhauser. As Chris no longer goes to Antioch, Kevin is Antioch's only semifinalist. He will now compete for Merit Scholarships which will be awarded next spring. The students chosen constitute about one-half of one percent of seniors in the United States.

This season hasn't been a good one for our team. Last Friday Warren beat Antioch 7-6. Although Antioch has lost three games, they have managed to hold their opposition down. Tom Pocrnich made our touchdown for the varsity team. Next week we play Cary Grove for our second home game, so everybody come out and give our team some support!

Student Council will be sponsoring movies the last Sunday of each month. The movies will start at seven o'clock. All movies are open to the public. This Sunday they will present "Big Jake."

STUDENT COUNCIL FILM FESTIVAL

This year the Student Council at Antioch Community High School is having a monthly Sunday evening family movie. The movies will be shown the last Sunday evening of each month in the School Auditorium, and will follow a different theme each month.

September is "Western" month. The first film festival flick will be, "Big Jake", starring John Wayne, with a color cartoon. Admission is 50 cents per person, adults and kids alike. Doors open at 6:15 p.m., show time at 7:00 p.m. Popcorn will also be sold.

Plans for future months include: a cartoon festival, old silent films, double feature month, horror flick month, and more! All proceeds from the festival will go into the Student Council fund for the donation of money for tennis courts at the High School. It is hoped that this festival will open up school facilities for the community's benefit.

HOMEcoming THEME CONTEST

The winner of this year's homecoming theme contest is Mrs. Violet Feldmann of Lake Villa. Mrs. Feldmann has three grandchildren that have attended Antioch High School. Two of her grandchildren graduated with scholarships. The theme she suggested is, "Antioch - Wizards of Odds". Mrs. Feldman will receive a \$50 Series E bond, compliments of the State Bank of Antioch, at the pep rally on Friday, October 19th.

Homecoming will be October 20th. Lets hope that the Sequoits are "Wizards of Odds" in the big game against the Grayslake Rams.

FOUR AREA STUDENTS EARN DEGREES AT WESTERN

Seventeen hundred and twenty Western Illinois University students completed undergraduate or graduate degree requirements during the 1973 spring quarter.

Among them were: Gary Lee Cybul, Box 759, R. 1, Ms. and James B. Steves, R.R. 2, Box 318 B, BS, both of Antioch; Michael Wayne Channell, R. 2, Box 653, MS, and Steven G. Schmeisser, Route 3, Box 59, BB, both of Lake Villa.

The Antioch Township Republican Womens' Auxiliary donated \$200 toward the parallel bars for the Antioch High School girl's athletic department. Left to right are: Elaine Surrock and Kim Klopp, students; Suzanne Herbert, president of the auxiliary; Mrs. Elaine Weidner, P.E. instructor; and Mrs. Raymond Shreiver, member of the auxiliary and sponsor of the project. (Staff Photo)

REPUBLICAN WOMEN'S AUXILIARY DONATES \$200

The Antioch Township Republican Womens' Auxiliary presented a gift of \$200 Monday to the Antioch High School girls' athletic department.

The gift will be used to buy the leg extension and adjustable elevation bar for a new gymnastic parallel bar for the department.

The gift was presented in the Antioch High School gymnasium by president of the auxiliary Suzanne Herbert and sponsor of the project Mrs. Raymond Shreiver.

Inter-school gymnastic competition for girls will begin in March. It will be the first year for such competition.

HOMETOWN NEWS

HOLLY BARTLETT TO "FLY PAN AM"

Miss Holly Bartlett was recently "flying on her own steam" following a recent telegram from Pan Am Airlines. Following her graduation from Indiana University on December 15th Holly will begin stewardess training in Miami, Florida on January 1.

Majoring in three foreign

languages, Holly was told this was a big plus factor in her selection. She was one of the chosen few from between 400 and 600 applications. She also went through three interviews,

before hearing that she was accepted.

Holly is the daughter of Mr. and Mrs. George Bartlett of Victoria Street, Antioch. She is 22 and a graduate of Antioch Community High School.

KATHY WALPOLE IN I.S.U. CORYPHEE DRILL TEAM

Kathy Walpole, daughter of Mr. and Mrs. Fred Walpole, 513 Garys Drive, has been selected for the Illinois State University Coryphee Drill Team. The group is featured with the I.S.U. Marching Band drum section. The band performed recently at the St. Louis Cardinal-Washington Redskin football game, which was televised nationally.

PETER CHMELIR CONTINUES OFFICERS TRAINING

Midshipman Peter S. Chmelir, son of Mr. and Mrs. John J. Chmelir of 912 Wildwood Dr., Lake Villa, Illinois has begun his 9th semester of instruction in the Naval Reserve Officers Training Corps Program on the Urbana-Champaign campus here.

NEW ADDRESS - 120 Rt. 173
ANTIOCH, ILL. 395-3600

(Week of Sept. 28-Oct. 4)

ARIES (March 21-April 20): Sticking to the task at hand will bring excellent results. Creative cycle is high. You may be called on to demonstrate your talents. Romance will be important to you during this period. Best days: Friday, Monday.

TAURUS (April 21-May 20): Cooperation, congenial attitude can make this a pleasant week. Enjoy the weekend with family, friends. Shopping, entertainment activities also favored. You could use a break from routine. Best days: Saturday, Tuesday.

GEMINI (May 21-June 21): Correspondence from afar indicated, possibly involving romantic matters! If you've had a quarrel with loved one, take the first step in making up. You'll be pleased by the outcome. Tied to financial matters you may have been neglecting. Best day: Wednesday.

CANCER (June 22-July 21): If boredom and routine have you feeling blue, splurge a little on entertainment, shopping for wardrobe items you need. Greater harmony with associates, friends indicated. Weekend is great for a last-of-summer outing, even though there may be a chill in the air. Best days: Sunday, Thursday.

LEO (July 22-Aug. 22): A time to relax and catch up on rest, recreational activities. Spend some time on a favorite hobby over the weekend. Later in week, things should go better at work or school, especially if you have a cheerful attitude. Best days: Friday, Saturday.

VIRGO (Aug. 23-Sept. 22): Follow your own intuition in matters involving creative projects. Others may mean well, but your flair for originality may prove more effective in achieving your goals. Social life apt to be routine. Not a favorable time to strain the budget. Best days: Monday, Tuesday.

LIBRA (Sept. 23-Oct. 22): Emphasis is on family ties, home life. Spend a pleasant weekend enjoying home, but be prepared for a busier week ahead in career or school activities. Later in week, be careful around machinery to avoid accidents. Best days: Saturday, Tuesday.

SCORPIO (Oct. 23-Nov. 22): Routine may be stifling, but there are times when it's best to let others take the lead in proposing changes. A short trip to visit a relative or friend should be a boost to your spirits. Not a favorable period for romance. Best day: Sunday.

SAGITTARIUS (Nov. 23-Dec. 21): An excellent period for those born under your sign. Career, romantic signs all favorable. Moon in your sign makes this a time to seriously reflect on goals, ambitions. Changes can be stimulating! Best days: Monday, Wednesday.

CAPRICORN (Dec. 22-Jan. 20): A quiet week that may be most welcome. No significant change from routine indicated. It's a good time to catch up on overdue projects, including correspondence with friends or relatives. Best day: Sunday.

AQUARIUS (Jan. 21-Feb. 18): Those born under your sign usually have an excellent sense of humor. It can be useful to put your problems in perspective. Friends or family may be demanding. Be patient and you can maintain harmony. Best days: Tuesday, Thursday.

PISCES (Feb. 19-March 20): A cheerful attitude can work wonders with others. Avoid family tension. Get plenty of rest and just let social plans develop on the spur of the moment. Surprises can be fun. Best days: Sunday, Wednesday.

DR. A'S MINI-TALES

The Bumbling Professor

Professor Bumbly was in the lab. He was inventing a super-stick glue. It was almost finished. He poured in a liquid. "Professor," said his assistant Oscar, "that was your coffee!" "We'll see how it works, anyway," said the Professor. Oscar tried to glue the blackboard onto the wall. (It had fallen down last week when one of Professor Bumbly's experiments exploded.) "Help!" cried Oscar. "This glue worked too well. I'm stuck to the blackboard." Professor Bumbly went to help him, but he knocked over the rest of the glue. He went to get the janitor. While he was gone some students and teachers came into the lab. Soon they were stuck in the glue too. Someone called the police.

and they got stuck too. Professor Bumbly tried to invent something to get rid of the glue. Famous scientists tried to help. But nothing worked. People all over the nation were watching on TV now. Professor Bumbly worked all through the night. Then he accidentally spilled some of Formula 414 into the burner flame. Fire shot up into the air. The automatic sprinkler system turned on. Water poured down. It put out the flames. It soaked everybody. And - it washed away the glue. Everyone was free at last. The blackboard fell down with a thump. "Hmmm," said Professor Bumbly. "let's try some tea in the formula next time."

He was preceded in death

ANNIVERSARY CELEBRATION AT CHRIST LUTHERAN CHURCH

The Reverend Alvin Pinke, first pastor of Christ Lutheran Church, Paddock Lake, will be the guest preacher at the congregation's festive 9:30 a.m. 10th anniversary worship service Sunday, September 30.

A noon buffet dinner is also planned, followed by a 2 p.m. informal program featuring greetings from special guests, "early days" slides of the congregation's beginnings, and special music.

by his parents.

Funeral services were held on Wednesday, September 19, 1973 at the Barr Funeral Home Colonial Chapel, 532 Lake Street, Antioch. Rev. Eugene Kuesal of St. Peters officiated. Interment was in the family lot at Highland Memorial Park Cemetery.

MRS. FLORENCE SONNENBERG of Vienna, Virginia passed away on Saturday, September 22 in Vienna. She resided in Chicago, moved to Antioch in 1960 and has lived in Vienna for the last several years.

She was preceded in death by her husband, John F. Sonnenberg on January 12, 1963.

Survivors are 1 daughter, Mrs. Dorothy (Edwin) Luck and 1 grandson.

Funeral services will be held at 10:00 a.m. on Thursday at Strang Funeral Home in Antioch. The Reverend Harold Nelson of St. Mark Lutheran Church in Lindenhurst will officiate. Interment will be in Liberty Cemetery north of Antioch. Visitation after 7:00 p.m. on Wednesday, September 26.

CHRISTIAN SCIENCE CHURCH

In St. Matthew 20 in the Bible, we read how Jesus healed the two blind men who had faith in the power of God. This is brought out this week in the Lesson-Sermon entitled "REALITY" at Christian Science church services Sunday.

Citations from Science and Health with Key to the Scriptures by Mary Baker Eddy give her interpretation: "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick."

Everyone is invited to attend services at the First Church of Christ, Scientist, BEACON HILL, Route 173 and Harden, Antioch, Illinois. They begin at 11 a.m.

Christ Lutheran congregation, which worships in its modern church center on Highway 50 at Paddock Lake, was formed in 1963 by The American Lutheran Church. Pastor Alvin O. Pinke, then serving a parish at Mount Horeb, Wisconsin, was called to be its first pastor. He and his family arrived on March 15, 1963, and immediately began to gather dozens of Westosha area individuals and families into a congregation. The first service was held on April 28; Sunday School began on May 5; official organization came during a

"Hindsight's Better Than Foresight"

There are many charitable organizations in the Village of Antioch. Organizations that care for children, the handicapped the poor...Their actions indeed manifest "actions speak louder than words."

There is an early Christian writer who said, "the soul is naturally Christian." That is built into man to share himself. That man naturally wants to extend himself especially to those in need.

So many times there is a credibility gap with so many people who talk a lot and so rarely get anything accomplished. Words are a way of expressing a relationship between people. Actions follow words and frequently there is a noticeable difference between what a person says and what he does. It is at times like this that a value judgment may come into play. It is here that trust must take a stance based on the events of the past.

A person who frequently talks "a good game" and then never produces really hurts only himself. The credibility gap between he and his friends becomes very great-sometimes too great to be bridged by trust.

Too often these people go through life without ever having this pointed out to them. This could very likely be a serious fault on the part of friends who think that they are helping them by their silence.

meeting on June 11, 1963. Later in the year - September 15 - the church sanctuary, fellowship hall and parsonage were dedicated.

After five years of dedicated service, the Pinkes moved to California, where Pastor Pinke is now part of the pastoral staff of a large congregation in Hawthorne, a Los Angeles suburb.

The September 30th festivities, "in Praise of Our Lord," are open to the public. Since seating at the noon buffet dinner is limited, advance reservations are recommended (Phone 889-4294, 843-2631, or 843-2207).

With A "Stern Eye"

To the rest of the world it may appear that November '74 is a long way off. Not to the political residents of the Lake County Zoo. Gossip and rumor and hearsay pervade the marble corridors and no kaffee klatsch or lunch conversation is free of speculation.

"Who's your opposition going to be, Grace?" they ask in the Ladies Room or the Cafeteria.

"I don't know. They aren't confiding in me," I answer demurely. But the rumors do find their way down our hall and into my office. Daily, in fact. Bob Milton, Republican County Chairman is the front runner at this writing. But there is a whole school of thought which believes that Helen Amendola, County Board member from District No. 1 would like the berth. They believe that if not slated, she would oppose Milton (or whomever) in the Primary.

"Do you think she will, Grace?" asks one.

"Why-uh-I don't-uh--"

"Used to be a Democrat, didn't she?"

"Yes, I think she--"

"No one so ardent as a reformed sinner," he shouts, pounding me on the back in high glee. I nod. "She works hard, Grace. You better watch out!"

"Out our way they're saying it's going to be Mickey Babcox. What would you think about that Grace?" asks someone else.

"Just fine, thank you," I answer in my Jane Ace voice.

And so it goes. For obvious reasons I am most engrossed in the County Clerk's race, but there is an equal amount of speculation batted about regarding the Sheriff's race. Is Pat Clavey going to run for reelection? Or is he going to pass the mantle on to Jerry Schuetz? Everyone has an opinion on the matter.

"Listen, Pat has a game plan, see? He plans to run and win again in '74 and then run for the big one--McClory's job--in '76."

"Do you think so? But I don't think he can win again in '74," comes the answer. "I think the murders in the jail and the Gurnee flap have got him in up to his neck. I mean if I lived in Gurnee, I'd--"

"Maybe so. Maybe you Democrats are going to pick up another this year." And for some reason that elicits laughter and should thumping. I laughed too, because to me this is more than a philosophical discussion.

Our office has been busy putting out petition forms, blanks for Statements for Candidacy, and discussing whether or not the Loyalty Oath would still be required. The nuts and bolts of the upcoming elections are the chief preoccupation of the County Clerk's office anytime, but particularly at this distance in time.

Twelve seats on the County Board will be voted on in April; the Primary for that election is

the first Tuesday in February, and petitions get filed with our office between November 5th and November 12th of this year. Maybe that explains why these elections are more imminent than they seem. Decisions will have to be made between now and October 29th.

By the very nature of the business, government is conducted by amateurs. There is no school which prepares one for the County Board--the Legislature--or even for the County Clerk's office. It is on-the-job training all the way. The only qualification for office is the ability to get one more vote than the other guy. All this puts a tremendous responsibility on the voter to examine the motivation and the integrity of those who advance their names. And that advancement--for the 1974 Elections--begins next month.

Amateurs of good will: advance!

GEORGE LOUIS AGHAMALIAN TO SPEAK OCTOBER 2nd

GEORGE LOUIS AGHAMALIAN

"More than a Superstar" is the title of a free public lecture on Christian Science to be presented in Antioch next week, October 2, 1973.

George Louis Aghamalian, C.S.B., a Christian Science lecturer from New York City, will explain the healing impact of the life of Christ Jesus on people today.

"For Jesus to have so completely changed people's lives," he will state, "he'd have to truly be a superstar in the highest sense of the word. But to also heal the sick of incurable diseases -- to even raise the dead -- he'd have to be more than a superstar."

Mr. Aghamalian will speak under the auspices of First Church of Christ, Scientist in

The Church Edifice on Beacon Hill, Harden St., at Route 173 at 8:00 p.m. Mrs. Murray Conzelman First Reader will introduce the lecturer.

Mr. Aghamalian will bring out that, "Jesus never did any of the things we usually associate with human greatness. And yet, he has done more to influence the thinking and lives of men, women, and children than any other person in the history of mankind."

Long active in the healing ministry of Christian Science, Mr. Aghamalian left the manufacturing business in 1951 to devote his full time to this activity. In 1964 he became a teacher of Christian Science. He was named to The Christian Science Board of Lectureship in 1971.

"They can't do it alone" Volunteer 4-H leaders needed

For many young people, 4-H means more than just being with friends and having fun. It also means discovering for themselves what they want to do the rest of their lives. In the process, they get involved in many activities that improve their home communities.

"But they can't do it alone," Bill Messerschmidt, Lake County Extension Adviser. "4-H'ers need and want the help and guidance of adults who volun-

teer to be 4-H leaders."

"4-H leaders come in all shapes and sizes and from all walks of life," Bill Messerschmidt says. "They're homemakers, mechanics, electricians, photographers, teachers, farmers, older teenagers, young parents and retired people, and they come from urban and rural areas. But they have one thing in common: They care about today's youth and are willing to volunteer

time to help young people. Their reward is the satisfaction of watching youngsters grow and learn."

Last years, 16,700 Illinois residents volunteered to work with 4-H'ers. But that wasn't enough. Many more young people want to get involved in 4-H club work, but new clubs must be organized first and that requires more leaders.

"In Lake County, 400 leaders and junior leaders are now working with 1350 4-H'ers," Bill Messerschmidt says. "But we still need more, especially for the new first year 4-H clubs we are organizing, some of which need help with their projects."

For more information on how you can get involved with 4-H, contact Bill Messerschmidt or

Miss Marilyn Jones at your Lake County Extension Office, P.O. Box 267, Grayslake, Illinois 60030, or call at their new phone number 223-8627. National 4-H Week, Oct. 7 to 13, is a good time to join the ranks of 4-H Leaders.

OPPORTUNITIES OPEN TO YOUTH IN CAREER AND HOBBY FIELDS

Whether it's MEDICINE or SCUBA DIVING, there will be opportunities this month for young adults, 15 to 21, to continue their interest in many career and hobby fields.

The First-Nighter program of the Northwest Illinois Exploring Division will be used by some 100 Explorer groups. They will hold meetings to introduce their vocations or avocations as part of a program that is developed by the members themselves, according to John W. Post, General Plant Manager - Allis - Chalmers in Deerfield, chairman of the First-Nighter program in this area.

Other Explorer groups related to church or youth groups will also be holding First-Nighter programs for young adults who have a relations to those groups.

"Our Explorer groups offer

an opportunity to meet and associate with many successful people and to work closely with qualified advisers on projects related to the special interest of the members," Post said.

The Explorers is a part of a national program for young adults that offers a contemporary approach to meet their demands for a relevant and flexible program.

CLC GOLFERS TAKE TWO IN CONFERENCE OPENER

College of Lake County's powerful golf squad swept to its 50th and 51st straight dual meet wins with victories over Harper and McHenry colleges, September 20, at Mundelein's Countryside course.

Bruce Johnson's sparkling 70 led the Lancers. Team totals were 292 for CLC, while Harper and McHenry finished at 327 and 349, respectively.

CLC's Chris Marszalek carded a 73 for the defending Skyway Conference Champions.

The contest was the conference opener for the three schools.

MONTEGO...THE PERSONAL-SIZE CAR WITH THE RIDE OF A BIG CAR

The Mercury Montego, all-new in 1972, retains the styling that made it the division's biggest success story. For 1973, in addition, all nine models feature new grilles above the new impact-absorbing bumper system.

There are four new exterior color choices available. Vinyl roof color choices have expanded from five to seven. Light beige is now available as an interior color on Montego MX, Montego MX Brougham and Montego GT models.

An important "inside" story is the new, low-back front bench seats with adjustable head restraints to provide improved visibility, standard for '73 Montego and Montego MX models.

DEMOCRAT OUTING RATED A SUCCESS

State Treasurer Alan J. Dixon predicted that the Nation's economy would be the major political issue in 1974. "It is a tragedy," he said, "that, due to inflation, so many on fixed incomes cannot live decent lives."

Dixon and Lieutenant Governor Neil F. Hartigan were the principle speakers last week at what Lake County Democratic Chairman Herbert L. "Hub" Stern called "the most successful Lake County Democratic golf outing ever."

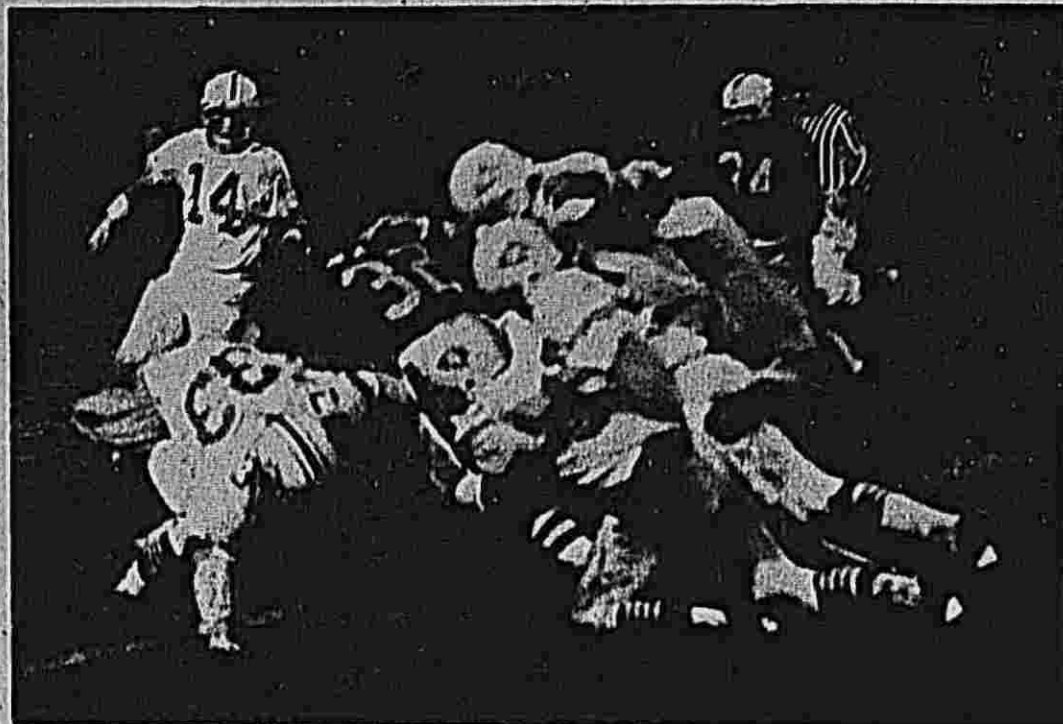

Lieutenant Governor Hartigan also told the more than 400 enthusiastic guests assembled at the Antioch Country Club that the Democratic Party had been presented with a great opportunity, including a chance to put together "the strongest party in the history of the State." Directing attention to the National T.V. telethon sponsored last Saturday by the Democratic National Committee, he called upon all rank and file Democrats to do their part in turning the funding of the Democratic campaign process back to the people.

Chairman of the Democratic golf outing was Nello P. Gamberdino a former Lake County assistant State's Attorney.

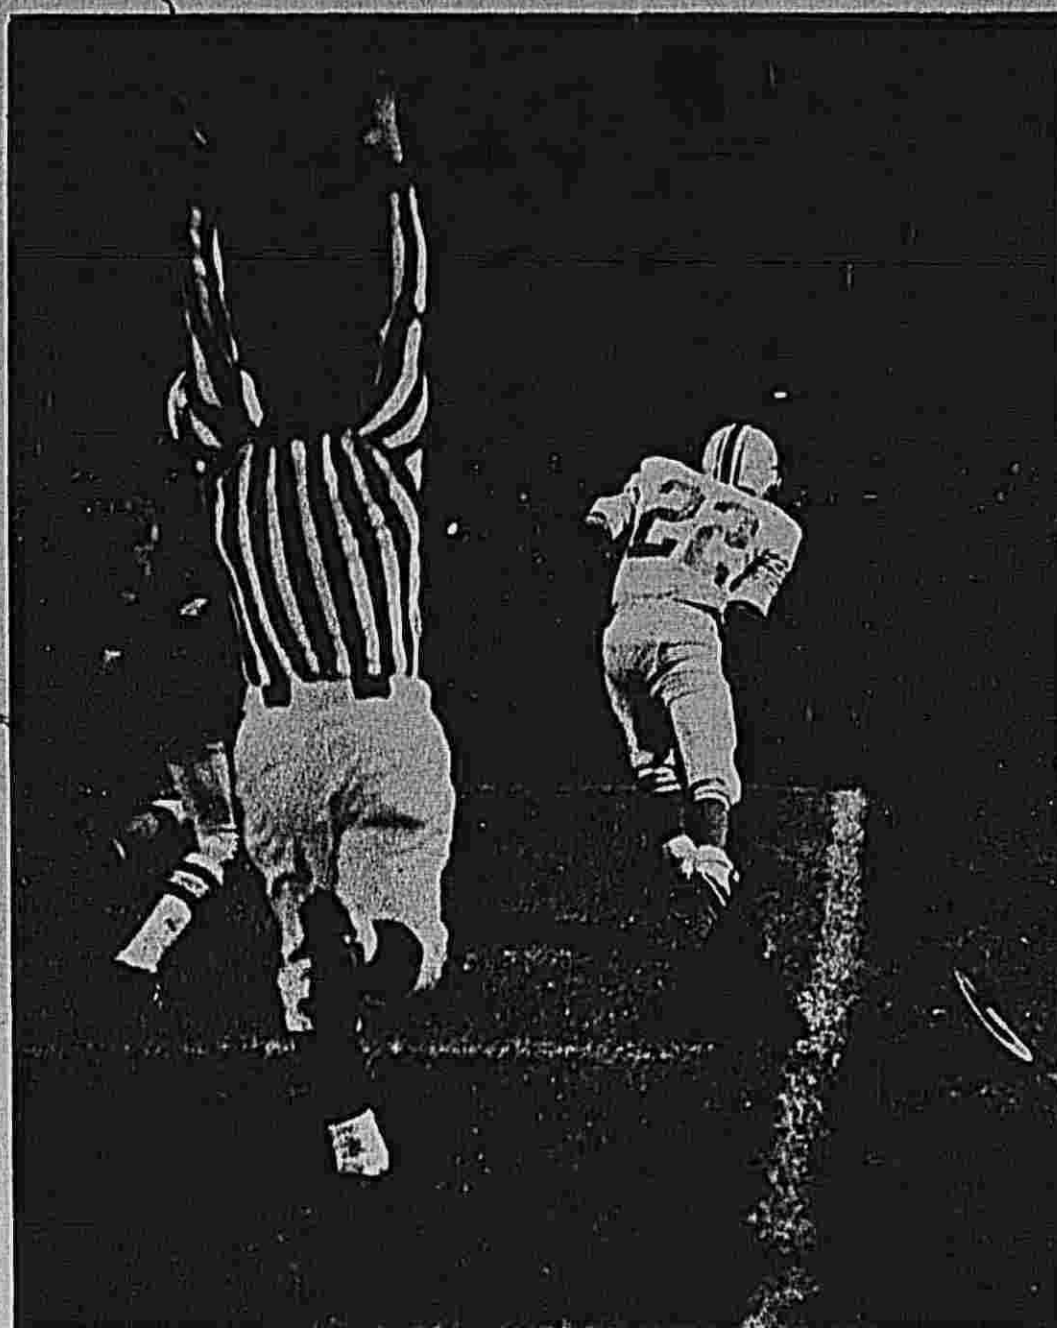

Lake County Chairman Stern promised that his party would wage an aggressive 1974 campaign on behalf of a full slate of top drawer candidates. Alluding to two murders and a sex molesting case in the County Jail, along with "grabbing headlines" in connection with an alleged Gurnee sex ring, he said, "We have the issues and we will use them."

Bush Is Over-all Winner At Waukegan Speedway

Ray Bush, the 48 year-old veteran driver from Silver Lake Wisconsin had the biggest night in his 14-year career Saturday night at the Waukegan Speedway as he was the over-all winner in the late model 'sportsman' Twin 20's.

Bush set fast time, then took his first feature win ever by edging Joe Horn with two laps to go in the first race. Ted Richter of Libertyville won the second race in a close finish with Bush second. The over-all finish saw Tom Talbott third on the strength 5th and 3rd place finish. Richter was second.

The racing program was marred by the most serious accident of the year as Joe Torri, Jr., of Lake Villa broke the left front spindle on his Chevrolet and slammed into the pit wall during the 5th lap of the first feature.

The wheel assembly flew into the pits hitting Roy Browning who was working on J.P. Gatti's car at the time. He was rushed to the hospital unconscious, but later regained consciousness and was kept overnight. Meanwhile Torri was removed to the hospital in the back-up ambulance complaining of back injuries. He later returned to the track to accept the hard-luck trophy.

Following the racing program, the trophies were awarded to the top ten sportsman drivers and the top five hobby pilots. Gatti won the sportsman crown and Jack Hemmings took the hobby title. It was the first championship for both. Dennis Topcik and Ed Durne both were voted the "Rookies of the Year" and Gatti received the 'Most Popular Driver' award.

Al Gutche led the first feature for four laps, but failed to make the restart with Joe Horn inheriting the lead. Bush raced past George Dukas on the 9th lap for second and caught

Horn's convertible in the 14th lap.

Bush grabbed the lead in the 18th lap for his first win with Horn second, followed by Dukas, Abel Avila, Talbott and Ray Dixon.

The second 20-lapper saw Topcik in the lead for one lap before Chuck Bostick gained the lead. Bostick, Talbott, Richter, Bush and Gutche were bumper-to-bumper in the 14th lap when Bostick blew a tire and slide

into the first turn wall.

Talbott led one lap before Richter took over for the win. Bush settled for second with Talbott third followed by Gutche, Willie Winchester and Dixon. Gatti, who was the big winner in this event last year, completed just two laps tonight due to fuel pump problems.

Next Saturday night will be the final stock car program of the year at Waukegan with the 'Last Chance' demo being the featured attraction. There will

be sportsman and hobby racing also. There will be no raindate for next Saturday's finale.

Over-All Finish-Twin 20s: 1. Ray Bush...20.5; 2. Ted Richter...13.0; 3. Tom Talbott...12.0; 4. Joe Horn...12.0; 5. Ray Dixon...8.0; 6. George Dukas...8.0; 7. Al Gutche...7.5.

Ties broken by the best finish in the second feature. The over-all trophy was awarded to the pit stewards--Ted Gedville and Jim Dean.

WARREN TIPS FROSH, 8-0

Warren High School's visiting Blue Devils engaged in a hard fought battle Saturday with Antioch's freshmen Sequoits, and came away with an 8-0 win. The game was a grueling defensive duel throughout with Antioch losing the ball on two pass interceptions and two fumbles and Warren coughing up the ball on three fumbles. Except for the one scoring drive, neither team could sustain an offense. Coach Norm Hahn did however credit Todd Ten Eyck and Mark Stewart with good performances on offense. He also singled out tackle Tim Murphy for praise as the 125 pounder worked all day against Warren's huge defensive right tackle (315 pounds!). On defense Dave Zitkus, halfback, led all tacklers with 4 tackles and 12 assists.

The loss to Warren was the Antioch "A" teams first loss after three wins. This Saturday the frosh Sequoits travel to Cary Grove for the first football meeting ever between the two

Terry Lear (57) hangs on as Bob Bailey (33) and Jon Sondag (73) converge for the kill to hold a Warren runner to no gain Friday

night. Sequoits lost to the Blue Devils by one point, 7-6 in a defensive battle. (Staff Photo)

school. The game starts at 9:00 a.m. The "B" team will also play Cary Grove after a 6-6 tie this week with Warren. Tim Lama ran back a kick off 75 yards for the score. The "B" team record is now one win, one tie.

SOPH FOOTBALL

Antioch sophomores lost their second game of the season 16-12 at Warren Friday night. The loss was again attributed to inexperience. In the first half Antioch Sophs were penalized almost 100 yards. Bad luck continued to plague the Sequoits as every penalty occurred on plays that gained good yardage. In the second half Antioch played much better as Tim

Sheppard and Rick English scored touchdowns. Blocking by Dick Kessler, Dave Bogaerts, and Mike Riedlinger improved Antioch ground attack, but mistakes of inexperience hurt the defense as Warren scored two touchdowns and both two point conversions.

This week the Soph Sequoits take on a good Gary Grove at 12:00 on the Home Field.

Cross Country Runners Doing Well

The Antioch High School cross country team placed an over-all seventh in the Grant Invitational Meet in Crystal Lake Saturday, September 22.

Fifteen teams participated in the meet in which the races were run according to the year in school, senior, junior, sophomore or freshman.

Antioch finished seventh in a field of 15 teams in the freshman and sophomore divisions. Juniors placed fifth and seniors fourteenth.

Bill Harland had the best individual time for Antioch freshmen with 18:34. Jim Pierce led Antioch sophomores with a time of 18:56. The first Antioch junior to finish was Mike Harland in 17:15 and the

first senior Tim O'Neill in 18:15.

Antioch is undefeated in conference meets this year so far, winning at Cary Grove in a three-way meet against Cary Grove and Round Lake, September 20. At the varsity level the Sequoits beat Cary Grove 22-33 and Round Lake 17-46. At the sophomore level it was Antioch over Cary Grove 21-36 and over Round Lake 15-47.

A week earlier they defeated Grant 19-40 at Grant in conference play.

The Sequoits lost their season opener to Barrington at home 19-42, and lost again September 18, to Zion-Benton at Zion 19-42.

Outstanding runners for the team so far this season have been senior Tim O'Neill and juniors Mike Harland and Kevin Walpole.

Antioch's next cross country meet will be at Stevenson-Wauconda on September 27 at Stevenson.

Antioch made a game of it Friday night, losing by only one point to Warren, the current Northwestern Suburban Conference champs and the team picked by most to capture the conference football crown again this season. The score was 7-6.

Little more could have been desired of the Antioch defensive unit, which allowed only one touchdown. It surrendered 225 yards to the Blue Devils on the ground and in the air, but stopped them, except for once, when it counted—close to the goal line.

Warren's lone touchdown came on a one-yard quarterback sneak by Joe Clauser with 5:59 left in the third quarter. Soccer-style kicker Steve Rittenhouse booted the extra point, which proved to be the difference, and that was the extent of Warren's scoring.

Sequoit linebacker Rick Sedar was the star for Antioch. The 5-foot-11, 168-pounder made 16 unassisted tackles and lent a helping hand six times more to lead the defense.

Guard Mike Beasley also turned in a strong defensive effort with seven solo tackles and nine assists.

The problem was Antioch's offense, which was able to roll only once.

The Sequoits had little success rushing, compiling only 54 yards on the ground. Halfback Bob Bailey had 33 of those yards in 15 carries.

Ron Adams was the workhorse for Warren and the game's leading ground gainer with 128 yards in 31 carries.

Antioch's single touchdown came in the third quarter on a 23-yard pass play from senior quarterback Darrell Channell to wingback Tom Pocrnich. The play came on third down and eight on the Blue Devils' 23 yard line with 2:57 to go in the

third quarter.

The fleet Pocrnich broke toward the sideline and outran his defender. He turned and picked the ball out of the air on about the three-yard line, spun and took two steps into the end-zone.

The pass from Channell was perfect. He was 6-10 for 58 yards Friday night. Channell played end during his sophomore and junior years but took over as quarterback when Antioch Coach Roy Nelson discovered last spring he was without an experienced man to play that position this season.

He's one of the guttiest, nicest kids on the squad," Nelson said. Channell left the game in the fourth quarter with a bruised shoulder but should miss no action this weekend. Tom Eastman attempted the kick for the extra point which failed.

The Sequoits played Friday night's game with a hidden handicap.

"Our kids played with a heck of a mental problem," Nelson said. After the Friday pep assembly at 2:30 in the afternoon, just a few hours before game time, Nelson met

with his assistant coaches and made the decision to expel three boys from the team, he said.

The action was taken for disciplinary reasons. One of the boys is benched for only one game, but the other two are finished for the season. It was only the second time in his 12-year coaching career at Antioch that Nelson has had to take such action.

One of the boys eliminated from the team was a regular and could have made the difference between victory and defeat.

Nelson said he was proud of the way the other boys on his squad handled the news. Despite the sudden shortage of manpower, he said they went out and gave their all.

The loss left Antioch 0-3 for the year but the record is unindicative of the team play.

It was the second week in a row the Sequoits had lost 7-6. Woodstock beat them by that score in their second game. They lost their season opener to Round Lake 14-6 in the last 24 seconds.

The Sequoits' next game will be at home against Cary Grove this Saturday afternoon.

President Fires Ace At Company Golf Outing

Jim Miller, Barrington, scored a hole-in-one on the 163 yard, ninth hole of the McHenry Country Club, Saturday, September 15. Miller, 43, President of Intermatic, Incorporated, recorded the ace with a 3 iron at the company's annual golf outing. It was the first in his 10-year golfing career.
